## PTA Volunteer Appreciation

Volunteer Appreciation Week is celebrated each year during the third week of April. It is designated to shine a light on the dedicated individuals whose contributions and acts of service are making a lasting impact on our communities. This is our moment to offer a heartfelt

thank you to those parents, friends, family, and others that give freely of their time and talents to ensure that our school community is supported and planned events are successful. PTA members are committed to the belief that every child's potential deserves to be nurtured and realized. Thank you WMS PTA members!
