Teacher Appreciation Week Finale

As we wrap up Teacher Appreciation Week 2026, let's pause to honor our extraordinary WMS teachers and staff who make our school feel like a place where anything is possible. Every day, our teachers create magic in the classroom - the kind that

sparks joy, ignites imagination, and turn curiosity into confidence. To our teachers, thank you for your **dedication, creativity, patience,** and the **guidance** you pour into our scholars every day. You make a difference in more ways than you know, and we are grateful for everything you do!
